Firefighters Benevolent Fund

for

A RAFFLE TO BENEFIT AN INJURED BROTHER

On July 27th 2011 Chris O'Brien, a member of the Trumbull Volunteer Fire Company No.1 Inc. was tragically injured while on vacation . Chris, a recent graduate of Trumbull High, current student and competitive swimmer at the College of Charleston, SC had a passion for the water. Sadly while enjoying a day at the beach on Block Island with some friends, Chris dove into the surf and met with a rock which broke several vertebrae in his neck and back causing paralysis to much of his body.

Chris, an active firefighter in TVFC, joined us three years ago as a junior firefighter and has become a valued and respected member of our department. Ready to act at a moments notice, to give aid to others whom he may not even know, Chris now needs us and his community more than ever.!

Please help us to support our injured brother on his road to recovery!

Beginning Sunday, October 16th at our annual open house the TVFC Benevolent Fund will be holding a Raffle to benefit Chris and his Family.
